RE: **C+SWISS**

Dear Marc:

On behalf of World Tea Media, we are excited to announce that **C+SWISS** has been awarded Best New Product in the category of Packaging for 2011 World Tea Expo.

Our analyst team was thoroughly impressed with your C+SWISS. The design and functionality of the packaging is superb. There is no need for consumers to worry that aluminum has leached into their beverage and no need to worry about adding more plastic to the ocean. The packaging is safe, eco-friendly and eye-catching.

Congratulations!

Sincerely,

A handwritten signature in purple ink that reads "Kim Jage".
